Multi-Media Policy

Safeguarding Children and Young People at St John's Parish

It is the policy of the Diocese of Kerry that photographs of children and young people under 18, engaged in church related activities, may only be taken and/or made public with the consent of the parent and child. Names of children must not accompany photographs.

In particular, for First Penance, First Communion and Confirmation, photography or movie-making of any kind, is not permitted by anybody other than a designated person who has been approached by St John's Parish, but photographs/recordings may be taken within and around the church before or after the ceremony.

Parents and Guardians are responsible for supervising their children's participation in any multi-media recordings, whether taken by family members, friends, approved professional photographers/movie-makers or others.
