KERRY DIOCESAN COLLECTION FOR THE WORLD MEETING OF FAMILIES

will be taken up at all masses this weekend, 16th/17th June, as a second collection.

Message from Bishop Ray Browne regarding collection towards helping finance the world meeting of families.

The final collection to help finance the World Meeting of Families will be taken up at all Masses on the weekend of Sunday June 17th. I thank you for your generous contribution to the previous collections. I ask you to consider being especially generous to this collection. With the visit of Pope Francis and the need to plan to accommodate over half a million at the final Mass (hopefully huge numbers from our diocese will be present), costs are enormous. A figure of twenty million Euro is being mentioned. It is vital that each diocese makes a significant contribution. You can donate via the Masses on that weekend or you might consider putting your contribution in an envelope and marking it WMF 2018 and bringing it with you to church any weekend. This collection deserves a special effort on all our parts. In hosting WMF 2018 Ireland is doing a great service for the whole Church and the world, reminding us all in the words of Pope Saint John Paul: "The future of humanity passes by way of marriage and the family". *Bishop Ray.*

THOUGHT FOR THE WEEK:

Faith is a funny concept really! We believe in a God we cannot see or in a dream that may not be fulfilled. We trust that our prayers will be answered but oftentimes they aren't! Faith is supposed to help make life easier but what happens when it doesn't! Faith isn't about guaranteed answers or results. Faith does not always make our dreams come true or help to shift the dark clouds overhead. But perhaps it is our faith in a kind, compassionate and merciful God that helps us to carry on when we would rather not. Maybe it is our faith in this same God that helps us to see that little by little, even when it seems totally and utterly impossible, that just like that mustard seed we have grown a little braver, stronger and more hopeful.....

Margaret Theresa Naughton.
